August 2026- Important upcoming dates and info

August is here, back to school is around the corner...

We hope that everyone is enjoying their summer months with family and friends. It is a very true statement that "time flies"; especially when you are a parent watching your once little infant growing into a young adult. Parents, cherish time with your children. They will be adults soon enough. Children cherish time with your parents. They won't be here forever.

With school around the corner we want to remind our younger students that education is very important! The more you put into your schooling the better prepared you will be for adulthood. As with any endeavor in life your success depends on the effort you put in. Take advantage of the opportunities you have here in the US when it comes to education. And manage your time wisely. You will only regret not working hard in school and you can't go back in time. Whether you are on a path to college or studying a trade, now is the time to learn, create good work ethic, and prepare mentally to be a leader in whatever journey you choose.

Congratulations to Samantha Valente, USBA/WBA Jr. Female Competitor of the Year for the second year in a row!

Every year the USBA/WBA recognizes the top competitors in four categories: Adult Male, Adult Female, Junior Male, and Junior Female. This is achieved by acquiring the most ratings points over the course of the tournament year which runs from July to July. Points are awarded based on how a competitor places at each event. **We are very proud to announce Samantha Valente has won the 2025-2026 Junior Female Competitor of the Year!** This is an outstanding achievement and requires consistent 1st-3rd place wins at USBA/WBA sanctioned events. This is Samantha's second year as the Jr. Female Competitor of the Year! We are very proud of her! Please congratulate her when you see her.

Congratulations to our US Open Competitors- Mr. Murphy, Sophia, and Samantha!

On the weekend of July 4th ECTS team members traveled to Orlando, FL to compete in the ISKA US Open World Martial Arts Championships. We are very proud of Mr. Murphy, Sophia and Samantha who competed against some of the very best in breaking. They took a number of 1st-3rd place wins. Mr. Murphy won his way to the stage for the future broadcast portion of the ISKA Breaking World Championships. Congratulations and thank you for representing ECTS in fine fashion!

Best of luck to our team competing at the North East Open Martial Arts Championships- August 8th- Albany, NY
